§ 1176.1 General.

(a) *Purpose.* Many individuals in society possess great productive potential which goes unrealized because they cannot meet the requirements of a standard workweek. Permanent part-time employment also provides benefits to other individuals in a variety of ways, such as providing older individuals with a gradual transition into retirement, providing employment opportunities to handicapped individuals or others who require a reduced workweek, providing parents with opportunities to balance family responsibilities with the need for added income, and assisting students who must finance their own education or vocational training. In view of this, the National Endowment for the Humanities will operate a part-time career employment program, consistent with its responsibilities and in accordance with Public Law 95-437, the Federal Employees' Part-Time Career Employment Act of 1978.

(b) *Program Coordinator.* The Personnel Officer is responsible for program operation and coordination.

§ 1176.2 Definitions.

(a) *Part-time employment* means employment of 16 to 32 hours a week under a schedule consisting of an equal or varied number of hours per day, whether in a position which would be part-time without regard to the Act or one established to allow job-sharing or comparable arrangements, but does not include employment on a temporary or intermittent basis.

(b) *Career employment* includes competitive and excepted service employees in tenure groups I and II.

§ 1176.3 Criteria.

Positions becoming vacant, unless excepted as provided by § 1176.8, will be reviewed to determine the feasibility of converting them to part-time. Among the criteria which may be used when conducting this review are:

(a) Mission requirements.

(b) Workload.

(c) Employment ceilings and budgetary considerations.

(d) Availability of qualified applicants willing to work part-time.
